## Vikings At Gaylord, Mancy

### Charlevoix Rayders Squeeze Out 51 to 49 Win Over Grayling

#### Grayling Slides To Loop Fifth

A victory-hungry pack of green and white clad Grayling Vikings take to the road this week invading Gaylord Tuesday night and Mancelona Friday night seeking to better their conference standing. The Vikings were eased out last Friday night by a wild bunch of Rayders who scored a 51 to 49 victory. The close loss for Grayling was almost a moral victory, however as they battled the loop leaders all the way most of the time being out in front on the score.

Grayling lost to Charlevoix Pellston was whipping Boyne City to move on up in the conference standings as the Vikings slipped down a notch. Scouting a possible double victory this week, the Vikings have moved their sights to a higher conference standing by the end of this week's play.

Cashing in on only one out of six foul shots during the last minute and a half of play was a blow to the Grayling roster. But several other points throughout the game could be considered the turning point of the game. Visibly ruffled by the Charlevoix Rayders' full court press, the Vikings lost the ball on several occasions. The foot shooting and few almost gift baskets to the Rayders told the story between a Viking victory and the slim two point loss.

It was, however, one of the Vikings best games of the year as their tight zone defense held the Rayders scoring much lower than they usually total. The only close scoring opportunity that Charlevoix had were buried, in motion shots. The Grayling offense looked quite sharp but not as good as against Pellston and Harbor Springs.

The evenness of the game can easily be shown by the statistics. Each team made 17 held goals with Grayling hitting on 13 free throws out of a total of 22. The Rayders had two more goals shots a total of 24 on which they made good on 17.

Grayling took a 12 to 7 lead at the end of the first quarter with the Rayders scoring 13 to Grayling's 11 in the second period to leave the Vikings holding a half-

#### Services Held For Peter Duley

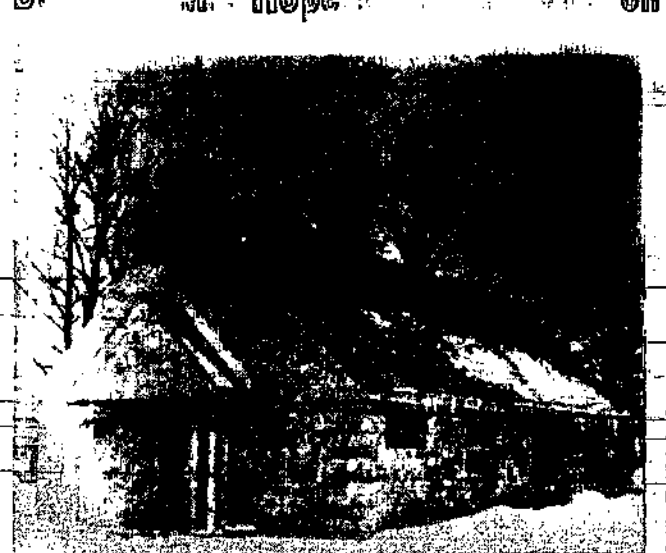

Funeral services were held last Wednesday morning at nine o'clock from the Lee Funeral Chapel, Pinconning, for Peter Duley and at 9:30 from St. Michael's Church of which he was a member. The Rev. Fr. John F. Brady, O. M. I., officiated and burial was in the Church Cemetery.

Mr. Duley passed away at his home in Pinconning, Sunday evening, January 30th after a year's illness. Cause of death was attributed to cancer.

The deceased was born in Czechoslovakia on March 13, 1882. Coming to this country he operated a farm in Pinconning Township for a good many years and about eleven years ago, following his first wife's death, he retired and moved to Pinconning.

Surviving besides his widow, Mary, are four sons and five daughters, among them James Duley and Mrs. Theresa Goss of Grayling; a sister and 30 grandchildren.

Attending the services from here were Mr. and Mrs. Robert Legner, Mr. and Mrs. Alec Konecky, Mr. and Mrs. Leslie Goss and Mr. and Mrs. James Duley.

Approximately 150 friends and members took part in dedicating Mr. Hope Lutheran Church, Grayling, last Sunday, February 6th. This festival service began at the entrance of the church with the unloading of the church cars by the pastor assisted by the chairman of the building committee, Harry Hoel, and the president of the congregation, Arthur Mayer. The dedicatory speaker was the Reverend Ralph C. Claus of Pontiac who spoke on the theme, "Build a Spiritual House." A choir of 15 voices sang the congregation. The liturgies were: A former pastor of the church, the Reverend P. R. Beck of Gaylord and Lewiston and the present pastor of the congregation, the Reverend G. H. Light of Grayling and Houghton Lake. The pianist was Miss Alice Hausmann of Grayling. Miss Florence Orchard of West Branch sang the solo, "Built on the Rock," the Church Doth Stand.

A buffet supper was served after the service by the Ladies Guild. One of the attractions of the supper was a beautifully decorated cake donated by Mr. and Mrs. Matthew Blavia. On the top of the cake was a replica of the church representing the church's fifth anniversary since her organization on February 8, 1930. Mr. Hope Lutheran Church is a member of the Lutheran Church—Missouri Synod, which has a membership of well over 2,000,000 persons.

#### EP RESIDENT

Howard C. DeLaMater, son of Mr. and Mrs. Ben B. DeLaMater of Grayling has received word that he has passed his examinations and is now a Certified Public Accountant.

Howard is a 1944 graduate of Grayling High School and also attended the University of Michigan, having obtained his Master's degree in Business Administration.

He resides in Kalamazoo with his wife and six months old son, where he has been associated for past four years with the accounting firm of Ernst & Ernst.

## Mothers March Total Appears Will Surpass Last Year's Mark

#### Three Areas Still Not Reported

Totals for the Mothers March throughout Crawford County now total \$690.30 with three different areas still unreported. Last year, the march effort brought in \$708.51 over all of Crawford County.

The Beaver Creek march with Mrs. Clara Johnson in charge totaled \$16.00. Mrs. Edgar Carl was in charge of the Lovells effort and brought in \$46.50. The downtown area march was chairmaned by Mrs. Arthur Wakeley and collected \$119.50.

Grayling's South side effort was headed by Mrs. Herbert Stephan. She was assisted by Mrs. Otis Hunter, Mrs. Alva Stephan, Mrs. Walter Korkonen, Mrs. Willard Harwood and Mrs. Byron Randolph.

Mrs. Ella Hanson Wilcox and Mrs. Lester Welch were co-chairmen of the Mothers March in Grayling. They were assisted by Mrs. William Joseph.

Ladies covering the blocks in Grayling north of the river were Mrs. Bud Gould, Mrs. Ole Willamson, Mrs. Leland Marshall, Mrs. Joseph Chisla, Mrs. Harold Ed, Mrs. E. Henig, Mrs. John Peterson, Mrs. Carl Nielson, Mrs. Richard Thompson, Mrs. Jess Sales, Mrs. Norman Maden, Mrs. Ted Callahan, Mrs. Arthur Carlson, Mrs. Robert Boyer, Mrs. A. J. #### Six County Men Attend School Meet

Six Crawford County men, members of the Crawford County Board of Education, attended the third annual workshop of the Northern Michigan Association of County School Boards of Education held in Gaylord on February 2nd.

Those attending were: Frank Bond, superintendent of the Grayling schools; Jerome Kessler, president of the Grayling School Board; Wesley J. Smith, superintendent of the Frederic Schools; Ace Lang, member of the Frederic School Board and a trustee of the Crawford County School Board; William Miller, vice president of the Crawford County Board of Education; and John A. B. MacAuley, Crawford County Superintendent of Schools.

#### Serving Sentence On Week Ends

Ivan H. Kortman, 23, of Roscommon will be spending from Friday night until Sunday night in the Crawford County Jail for some time until he finishes a thirty day sentence given him by Justice of the Peace Arthur Clough.

Kortman was arrested by the State Police on a traffic violation.

Herman A. Rollins, 43, of Roscommon was held recently in the Crawford County Jail until his fine was paid on a charge of furnishing liquor to minors.

The charge was made after State Police arrested five Roscommon County minors in Beaver Creek Township with liquor in their possession. One youth was 16 years of age, two were 17 and two 20. The case was heard before a Roscommon County Justice.

#### Ninety Attend Birthday Party

Ninety children and adults attended the annual birthday party given by the Mary Martha Circle of the Michelson Memorial Church on Thursday, February 3, in the Church dining room. Games were enjoyed by the children under the supervision of Sister Benson and Phil Smith, assisted by Mrs. Ted Wheeler. After a prayer given by Rev. R. C. Puffer, a delicious lunch was enjoyed by all. For the occasion, each table was appropriately decorated for the birthday month of February. Specially decorated birthday cakes graced each table. Programs, prepared by each table chairman, followed lunch and were enjoyed by all.

Members of the Mary Martha Circle who invited guests of the evening, Chairman Anna Gross, co-chairman Mabel Ruff, assisted by the twelve table chairmen and president Ruth Fenton.

## Gov. Williams To Crown Michigan Winter Queen

### Kiwanis Marks 20th Birthday

The Kiwanis Club of Grayling marked the twentieth anniversary of the club and the fortieth anniversary of the Kiwanis International with a dinner dance attended by more than 100 at Shoppington last Monday evening.

The anniversary party started off with a social hour from six to seven o'clock followed by a banquet. Group singing preceded the sumptuous chicken dinner. The singing was led by Don Gottho with Mrs. J. C. Clippert accompanying on the piano.

Club President Leslie Hunter opened the program with followed the banquet and introduced Charles E. Moore who served as the toastmaster.

Addressing the singing which preceded the meal and told of the past days of the club when Mrs. Clippert was always in attendance to play for the club's song fest. He said that Mrs. Clippert had in the earlier days of the club been voted an honorary member of the club and still was also paid tribute to Mrs. Thomas Cassidy whose welcome to the club at the Inn had a lot to do with the successful early days of Kiwanis in Grayling.

All the charter members in attendance were then introduced and they and their wives were presented with a large and beautiful rose. There were thirty-two charter members of which nine are deceased.

The program continued with the presentation by President Hunter to past Lt. Governor Earl Burns of a twenty year perfect attendance award. The club in its twenty years has been honored by three of its members being elected Lt. Governors. Besides Mr. Burns, Emil Gleding and Mr. Moore were both elected to this high office.

Both former Lt. Governors spoke briefly on their experience during their year in that office. The program ended with a most interesting talk by Dr. C. G. Clippert, first president of the Kiwanis Club of Grayling and at the time president of the village of Grayling. Dr. Clippert spoke of the events preceding the formation of the club here and of the first year of the club, the trials and tribulations as well as the successes.

Following followed the program with music being furnished by the Charles Holtkamp trio.

The twentieth anniversary of a service club is assuredly a noteworthy occasion and the Monday evening program was a well planned and executed one for the club's birthday.

### Rep. Peltz Issues Statement On State Highway Controversy

"The question of building a highway system in Michigan is at this time a highly political fight," stated Emil Peltz, Representative of the Presque Isle District, which includes Crawford County.

"That is unfortunate, because highways are too important to the State to become political footballs. Furthermore, the time for action in this legislative session is short, and unless cool heads act wisely and there may be no accelerated highway construction program."

"With this in mind, I would like to make very clear what our proposal would do, and to comment on the Governor's most recent recommendations."

"Our proposal, to begin with, recognizes that Michigan needs highways, roads and streets."

"It takes into consideration the fact that hundreds and hundreds of thousands of our motorists depend upon our highways, county roads and city streets to get to and from their homes, to the market, to the office, to the school, and to the place of business."

"Therefore, it takes into consideration a truly integrated road system for all of Michigan, not just a few super-highways. And it provides for continuing improvement of our present roads."

"The program we recommend calls for a two-cent gasoline tax increase. This will bring Michigan up around the national average. The increase will produce \$44,000,000 more money for the State Highway Department."

"The important thing is that the people will know this money will be earmarked for ROAD CONSTRUCTION. This money will go into a separate CONSTRUCTION FUND and will be divided ANNUALLY as follows: \$19,500,000 to the State Highway Department; \$16,500,000 to the Counties; and \$8,000,000 to the cities," He explained.

"This money can be used to match Federal funds to increase our contribution on state trunklines. This would step up our program to well over \$1,000,000,000 worth of highways. We can have good roads all over Michigan as demanded by the people, not just a few super highways with dirt roads elsewhere," Rep. Peltz said.

"In our proposal the construction to be done will be recommended by the County and City Road Authorities in their respective governmental units. Yet, the Governor considered this 'political

### FUNK BROTHERS PURCHASE CHURCH ELECTRIC

Robert A. Funk and Edwin E. Funk have purchased the electrical contracting business known as Church Electric from Mrs. Calvin M. Church. The men are adding heating installation and service to the business and changing the name of the firm to the Grayling Electric and Heating Company.

Both men are Grayling natives. Although Edwin Funk has been living in Lansing for the past several years, he and his family are moving back to Grayling to make their home again. Both men are graduates of Grayling High School and the sons of Mr. and Mrs. Augustus Funk of Grayling.

Robert studied at Coyne Electrical School in Chicago and had his own electrical contracting business in the late thirties, while Edwin studied at the University of Michigan and worked for the City of Lansing, including the City Power Plant. Except for his term of military service during World War II, he has been employed by the city for the past 15 years as line construction and maintenance foreman.

Following his term of military service, Edwin also was employed by the City Light Department, working for two years as night operator at the power plant. He then enrolled in the Milwaukee School of Engineering, and after completing a course in refrigeration and heating, returned to Michigan and served an apprenticeship with the Hager-Fox Heating Company of Lansing. He has remained with Hager-Fox until the present time, specializing in installation, sales and service of hot-air heating equipment.

## To Be Presented At Saturday Night Ball By John Anderson

### Expect Entry Of At Least Twelve

All indications seem to point for another highly successful Grayling Winter Sports Carnival here this week end, Roy Trudeau, general chairman confidently reported this week.

Featured at the Grayling snow festival will be the selection of the 1935 Michigan Winter Queen Saturday and her coronation by Gov. G. Mennen Williams on Sunday afternoon.

The outdoor coronation rites at the Grayling winter park will be held at 2 o'clock next Sunday afternoon on a huge ice throne to be constructed for the event.

William Hines, Grayling, will introduce Gov. Williams to the large crowd of snow sports fans expected to be present for the colorful ritual.

The 1935 Michigan Winter Queen will be presented Saturday night at the Queen's Ball at the Grayling High School Gym by John Anderson, manager of Traverse City television station WPTV. Judging for the Miss Michigan Queen contest will take place at the high school at 2 o'clock Saturday afternoon. Preceding the judging there will be a visiting queen's luncheon at the Shoppington Inn Saturday noon.

Registration of the queen candidates is scheduled from 9 to 11 o'clock Saturday morning at the Inn. Photographing of the queens will take place immediately following registration.

At least 12 queens are expected to enter the Miss Michigan Queen contest, including the Grayling queen, Wayne University queen, Pontiac queen, the Queen of the North from the Upper Peninsula, Miss Clare and a queen from Michigan State Normal College at Ypsilanti and Miss West Branch and several others.

Friday evening the Winter Sports park will be open for all snow sports activities.

The Queen's ball will feature dancing from 9 to 1 o'clock Saturday evening with Charles Holtkamp orchestra furnishing the music.

Sunday afternoon, the Pontiac skating club will put on an exhibition of figure skating with the top 12 skaters of the club participating.

At least two groups will attend the Carnival via charter bus. Another group with their own Queen, Wayne University queen, will arrive in another charter bus. This group has a wide reputation as a choral singing group and will present numbers at the carnival.

Friday evening the Winter Sports park will be open for all snow sports activities.

In addition to the three television shows, a radio show for Grayling Winter Sports will be broadcast over radio station WATC, Gaylord on Friday afternoon from 4:15 to 4:45 P. M. Miss Phyllis Goss, 1934 Michigan Winter Queen will appear with Miss Grayling of 1935, Jean Malloy on some of the winter sports.

Ski Lodge program on WPTV, Cadillac will cover some film taken at the Grayling Winter Sports Park.

The Grayling queen and her court will appear on WPTV-Cadillac at seven o'clock Friday evening at which time they will be presented with gifts from Grayling merchants.

### Michelson Memorial Church School

Mary Anne Gottho, Raylene Slusser and Johnny Horning are new members enrolled in the Nursery Department. Mike Owens is a new member in the Kindergarten. Visitors in the Sunday School this week included Freddy Cook, Susan Wigman and Tim Olson. Tim is from Portland, Oregon.

In spite of continuing illness, Sunday's attendance was unusually high for the winter season, with seven classes receiving banners for perfect attendance. The classes were both sections of the First grade, and one section each of the second, third, fourth, fifth and sixth.

Attendance pins for the month of January were distributed in the Primary Department to Janet Shaw, Sharron Long, Linda Knibbs, Nancy Fenton, Karen Lowrie, Arthur Wakeley, Joe Wakeley, Pam Hunter, Irene Horning, Phyllis Hunter, Johnny Engel, Mickey Stillwagon, Janet Meier, Karyn Halstead, Bobby Millikin, Bobby LaChapelle, Johnny Cook, Randy Thompson, Linda Gottho, Anita Annis, Marcia Sorenson, Billy Joseph, Leslie Halstead.

The regular monthly meeting of the staff and Commission on Education was scheduled for Tuesday evening.

# Business Tax To Be Extended To Provide With Budget-Balancer

Michigan is getting the tax law extended for another year, a move which would collect that kind of money with as little objection as possible.  
But, there is still a doubt whether it will be enough for next year, with demands coming in every hour for more money to run state government.  
As an example, W. J. Maxey, state social welfare director, said he would turn in a \$5,000,000 deficiency request. The extra costs to maintain dependent children and the needy aged are responsible.  
Will there be anything else to add to the tax picture? Said Morris: "I'm not as yet prepared to say what new tax demands, if any, will be made on Michigan citizens."  
Republicans and Democrats are at war again in the legislature. To get an example, the Democrats voted to extend the tax bill in history that had not kicked up a storm of protest.  
Senator Carlton H. Morris (R-Kalamazoo), new chairman of the Senate taxation committee, put in a simple bill the first day of the 1955 session. It merely erased the expiration date.  
"It's better than looking for a substitute which would collect that kind of money with as little objection," he said.

# WASHINGTON AND "SMALL BUSINESS" BY C. WILSON MATHER

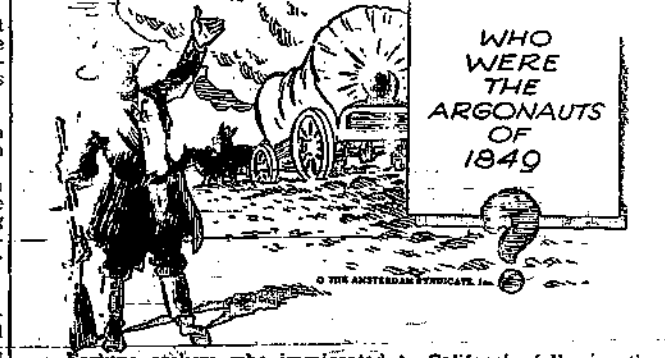

Geographically, it's a long way from Dixie to the Far West. Yet, spiritually, there is so close a tie one can almost hear the rebel yell in the West.  
This fact probably answers inquiries as to why so many of the West and South are so loyal to the federal government.  
Sen. William Knowland (Calif.), party leader in the Senate, is a Southerner. He is a Southerner by accident, Sen. William Knowland (Calif.), party leader in the Senate, is a Southerner. He is a Southerner by accident, Sen. William Knowland (Calif.), party leader in the Senate, is a Southerner. He is a Southerner by accident.  
There is a deep seated growing revolt in under developed states of West and South against continued encroachments of Federal government into state affairs especially Federal taxing revenue sources rightfully belonging to local governments.  
In a few days, many state legislatures convene. Pressing problem in state capitals will be raising revenues.  
Due to population expansions in these states, money is needed principally for schools and highways. Yet problem is finding some revenue source federal government hasn't already grabbed to finance monstrous foreign give-away programs.  
For example, only 32 states levy sales tax, but 1 out of 11 Western states have one, and Oregon is due for one early in the year. All 11 Southern states have a sales tax. Only 32 states have state income taxes, but 10 out of 11 Western states have one, all 11 Southern states have

Only Car at its Price...  
**So Smart! So Big! So Powerful!**

\*You can buy a big, powerful Pontiac for less than many models of the latest-priced cars\*

Whatever you want most in a car—beauty, size or performance—you get it in extra measure in a Pontiac. In fact, when you choose Pontiac the decision comes very easily—because Pontiac alone, at its price, gives you everything!  
For example, take Pontiac's distinctive smartness. Certainly there is no question on this point. Pontiac is the one car that stands apart from all the others.  
If it's size and big-car sure-footedness you want—Pontiac's your car! Pontiac's long wheelbase—124 inches in the Star Chief, shown here, and 122 inches in the 860 and 870 series—is the plus wheelbase that provides the roominess, the comfort, the satisfying road-hugging security that only a big car can supply.  
As for performance—once you get behind the wheel you have all the proof you need that Pontiac is way ahead in this department, too. Pontiac's spectacular performance starts with the most modern engine of all—the powerful new Strato-Streak V-8—specifically designed for Pontiac's all-new chassis to give you balanced performance. That means smooth, eager getaway in traffic; power to spare on the open road; and even more of Pontiac's traditional economy, dependability and long life.  
All this adds up to a wonderful car and with Pontiac's remarkably low price tag—a very wonderful buy. Come in soon and talk dollars and cents. If you're in the market for any new car, you'll discover you can easily afford all the pride and pleasure of a big, powerful, luxury-loaded Pontiac.

**"EASY DOES IT"**  
BY HELEN HALE  
BAKING success depends on several things: so check this list for know-how on improving the quality of foods that come out of your oven.  
Cookies, cakes and pastries should have a preheated oven. Start the oven before you start the mixing and it will be at the correct temperature when you're ready to pop in these foods.  
In baking cakes, the size of the pan is important so cake will rise and bake properly. If you do not have a pan-size recommended in the recipe, fill cake pans half full with batter and bake the remaining batter in cupcake or muffin pans.  
Butter, shortening and other fats, as well as eggs and liquid used in cakes and cookies will blend together more readily if they are allowed to stand at room temperature for thirty minutes to an hour before you start mixing.  
Egg whites for cakes with or without shortening should be beaten stiff but not dry.

**RECIPE OF THE WEEK**  
Peach Sour Cream Pie  
(Makes 1 9-inch pie)  
2 1/2 cups canned cling peach slices  
1 cup thick soured cream  
3/4 cup brown sugar (packed)  
1/4 teaspoon salt  
2 egg yolks  
2 tablespoons flour  
Pastry for single 9-inch crust  
Drain peaches. Blend together sour cream, sugar and salt; stir in well-beaten egg-yolks. Sprinkle 1 tablespoon flour in bottom of pastry lined pie pan. Arrange peaches on flour; sprinkle with remaining flour. Pour sour cream mixture over peaches. Bake in a hot (425°F.) oven 10 minutes; reduce heat and bake in a moderate (350°F.) oven 40 minutes longer. Cool before cutting.

## A Noteworthy Birthday

We salute the Boy Scouts of America on its 45th birthday, now being observed during Boy Scout Week, February 6 to 12.

Since the founding in 1910 the organization has engrafted the lives of over 22,750,000 boys and adult leaders. Truly Scouting represents a living cross section of American life.

Boys of every race, religion and economic background are attracted to Scouting. Today we find 2,700,000 boys in its ranks. Add to that impressive figure the 960,000 adults of good character who give generously of their time and talents to serve as leaders of units. Merit Badge Counselors and in many other capacities. There is hardly an American family that has not felt its influence.

Dr. Arthur A. Schuck, the Chief Scout Executive, a leader in the organization since 1913, feels that it is of vital importance to train the boys of today to be ready for positions of leadership as they grow to manhood.

"Strong character, participating citizenship and physical fitness," he says, "are needs of our boys and young men who are served by the program of Scouting, in co-operation with the home, the school, the church, and all other community institutions actively interested in training our future citizens."

Scouting's purpose, stated in the Federal Charter granted by Congress in 1916, is to promote the "ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues."

Every member of the nation's 95,000 Scouting Units is indeed "having some kind of experience that is adding to his equipment to meet the problems of adult life."

It is that training that we heartily endorse on this noteworthy birthday.

St. Mary's Ladies Club — Members of St. Mary's Ladies Club have a full schedule for the month of February. However, with the full co-operation of Ladies Club members and other ladies of the parish, it should prove to be very profitable month, spiritually as well as financially.

On Saturday, February 12 the Ladies Club will sponsor a bazaar, to be held at Peterson's Hardware. All ladies of the parish are expected to furnish baked goods for this affair, which is being championed by Mrs. Geneva Douglas.

Members of the Altar Guild, which is a part of Ladies Club, will receive Holy Communion in a group at the 8:30 Mass on Sunday, February 13. Guild members are reminded of the special indulgence attached to receiving communion in a body, in the hope that the members of ladies taking advantage of this opportunity will be even larger than in the past. After Mass, coffee and rolls will be served at St. Mary's Hall.

A pre- Lenten dance is scheduled for Saturday, February 19. All members of St. Mary's Church and their friends are invited and urged to attend. They are guaranteed a good time dancing to the music of The Rhythm Kings, with the square dances being called by the regular caller, Mr. Hunter. Hunter is chairman for that evening.

The regular meeting of St. Mary's Ladies Club will be on February 15 at St. Mary's Hall. This meeting will be under the direction of the School Guild and will feature a special program by the children themselves. This should be a very interesting meeting and it is expected that a large crowd of ladies will attend and it is hoped that as many as possible will be prepared to pay their dues at that time.

## R. L. D. S. News

There will be a series of meetings at the Reorganized Church of Christ of Latter Day Saints, beginning on Sunday, February 13th, through the 27th. Elder John Lawhorn of Traverse City will be the speaker at both the morning and evening services on Sunday and on Tuesday, Wednesday and Thursday evenings during the two weeks period. He will visit in the home and hold cottage meetings on the remaining nights of the week. There will be special music by the choir each night. The public is invited to attend all meetings.

The ladies of the Woman's department met at the home of Mrs. Norval Stephan on Thursday, January 27th at noon for lunch. After lunch the regular meeting was held. The next meeting will be at the home of Mrs. Carl Olson on Friday, Thursday, February 10 at 1:30.

A Valentine party is being planned for Friday evening, at 7:30 at the Frederic Town Hall. The lunch for the evening is planned by the novel writing of a box social. Each one will bring their lunch packed in a pretty box, then instead of auctioning the boxes they will be exchanged by matching hearts. Games are also planned for the evening. This party is to be a sort of imaginary bazaar where each family and their friends may donate the money equivalent to what they would spend at a regular bazaar and bake sale, without having the work of same. Every one must bring a valentine, preferably home made. The public is invited.

On Sunday, February 27th, at 7:30 P. M., at the Michelson Memorial Church, there will be a musical program presented by the choir of the Northern District of the R. L. D. S. Church. There will be participants from Traverse City, Gaylord, East Jordan, Alpena and Grayling. These musicals were started last year when we traveled to Traverse City, Lachine, Gaylord, Boyne City and Tower. This year we have been able to obtain the use of the Michelson Memorial Church so we could bring them to Grayling. We are very grateful to Mr. Puffer for letting us use the Church. The public is welcome. There is no charge.

Through the efforts of our District choir leader, Mrs. Joseph Engmark of Gaylord, we have been able to obtain Pauline Frisby, a concert soloist from Detroit, to give a concert at the Gaylord Civic Auditorium on April 2nd and Mrs. Frisby is better known to people who go to concerts as Carlotta Franzel. She played "Cinderella" in the Negro musical production "Carmen Jones" on Broadway for two years. She has appeared in several Broadway musicals. The charge for this concert will be \$1.50 per person and tickets may be obtained from members of the R. L. D. S. choir.

Nancy is to become the bride of William Cox on February 16th. Thirty ladies were present. Contests in keeping with the wedding motif were played. Prize winners were Mrs. William Sorenson and Mrs. Grover Cox. After Nancy opened her many lovely gifts, cake and ice cream were served. The cake which was inscribed "Nancy and Bill," was decorated with an engagement ring and pink roses. Mrs. Robert Sorenson poured and Mrs. Cox cut and served the cake. Nancy was assisted in opening her gifts by her sister, Miss Judy.

## NEW FISHING REGULATIONS

To members of the trout fishing fraternity, regulations governing the main stream of the Au Sable river make the big news in fish laws for 1955. From Burton's landing to Wakeley's Bridge fishermen may use nothing but artificial flies as the lure. The minimum size legal trout taken from these same waters must now be 10" in length, and the maximum daily limit has been reduced to 5 trout.

### Guides Favored New Ruling

It must be said in favor of the Au Sable river guides that their own recommendations for the changes played an important part in bringing about the new rulings. And in asking for these changes these same guides were acting most unselfishly, for it may mean fewer satisfied customers in the summer months ahead. Ten inch trout get a lot smaller than the 7" variety. And obviously the smaller bag limit simply means fewer trout to take home from the trip. Yet the guides realized that the future of Au Sable trout fishing may well depend upon this measure. Many of the fish taken under the old laws had not reached spawning age, and the use of bait and "hard-ware" lures proved lethal to un-

## Other Streams Set Precedent

The success of the regulation on other streams—namely portions of the South Branch of the Au Sable, and the North Branch, gives promise of restoring some of the old time fun of trout fishing to this heavily-fished water of the main stream. Good fly fishermen choose these waters above all others and this writer knows at least one angler who will water bull take a limit of 10" trout on dry flies any day of the season on the North Branch of the Au Sable near Lovell's. And you'll find the water one at high odds against you!

### The Outboard Menace

It is to be pitied that those same Au Sable river guides did not take it upon themselves to forbid the use of outboard motors on the main stream of the Au Sable in these same waters now restricted to fly fishing. All of the water is shallow enough to wade. All of it has much of the primitive beauty that contributes to complete relaxation for the fisherman. Yet the guides themselves use outboard motors unnecessarily in the river, virtually ruining the peaceful tranquility of one of Michigan's most beautiful water trails.

high winds and the whirling cold. Somewhat to the surprise and to the great satisfaction of our home people, the All City basketball team defeated the Bay City West Side team here on Friday last by a score of 24-10. The teamwork of the All City players was the best ever put up here and it was by this superiority that they won the game. Fisher's basket throwing was quite spectacular and Ambrose Melstrup's guarding was also excellent, while Spencer Melstrup never failed to get the ball on center plays. The score hardly does justice to the Bay City team. Their individual work was fine but the teamwork was ragged.

**ORDER FOR APPEARANCE**  
At a session of said court held at the courthouse in the City of Gladwin, in said county, on the 27th day of January, 1955.  
Present: Hon. John C. Shaffer, Circuit Judge.  
On reading and filing the bill of complaint in said cause and the affidavit of Charles E. Moore attached thereto, from which it satisfactorily appears to the court that the defendants above named, or their unknown heirs, devises, legates and assigns, are proper and necessary parties defendant in said cause, and  
It further appearing that after diligent search and inquiry it cannot be ascertained and is not known whether or not said defendants are living or dead, or where any of them may reside if living, and if dead, whether they have personal representatives or heirs living or where they are, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devises, legates and assigns, cannot be ascertained after diligent search and inquiry.  
On motion of Charles E. Moore, attorney for the plaintiffs, it is ordered that said defendants and their unknown heirs, devises, legates and assigns, cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said bill of complaint be taken as confessed by said defendants, their heirs, devises, legates and assigns, and  
It is further ordered, that within forty days plaintiffs cause a copy of this order to be published in the Crawford Avalanche, a newspaper printed, published and

## 23 Years Ago

(Continued from Page Three)

Mrs. F. H. Ivory of Orion, Michigan arrived Saturday for an extended visit with her daughter, Mrs. C. J. Hathaway.

The Grayling Mercantile Co. had a scare Monday evening. With an extra fire in the heating plant on account of the cold wave, in throwing wood into the basement, a pipe was broken off from one of the radiators, letting the steam and water into the room. Deckrow pulled the fire and by morning had repaired the damage.

Our genial deputy sheriff and night watchman Thomas Nolan, has sold his home in this village and will move to Lansing, where two of his sons are at work. He has been for sixteen years record keeper of the local lodge of Macabees who will miss his round figure at their gatherings, as will all of our citizens from the street. He has resided here for over twenty years, and with his family has hosts of friends who will regret his going.

Monday was an ideal winter day, bright sunlight and no wind, with the mercury at zero in the morning, 10 degrees above in the middle of the day, and at zero

circulated in said county such publication to be continued thereafter in each week for six weeks in succession.

No gasoline—no, not a single one—has higher octane than New 1955 GULF NO-NOX

Always remember: Octane alone is not enough. Only a gasoline that burns clean can make its full octane power really work for you mile after mile.

That's why, instead of trying to fight harmful deposits with so-called "miracle additives" inside your engine—Gulf believes in preventing them from forming in the first place; removes the cause—the "dirty-burning tail-end" of gasoline, at the refinery, to bring you new NO-NOX.

Just look at the plates in the photo above, and see what a difference Gulf super-refining makes!

but octane alone is not enough

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference, right from the start, in full engine power that lasts! You'll get:

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

## This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the experience—of the Gulf Refining Company.

When Bowden Wyatt signed as

"home." Wyatt is a native of  
Knoxville, Tennessee, which is now  
Knoxville and was (under General  
Bob Neyland) captain of Ten-  
nessee's Orange Bowl powerhouse of  
1933. The word "terror" is being  
used more and more in reports of  
basketball games. A player  
commits an error when he causes  
his team to lose the ball without  
getting a shot at the basket. This  
can be done by double dribbling,  
bad passing, traveling, charging,  
getting tied up in a "jumpy" and  
losing the ball in the jump... When  
the University of Kentucky lost to  
Georgia Tech recently the Ken-  
tucky team was seeking its first  
consecutive win on its home floor  
at Lexington. Coach Adolph Rupp  
regarded the Tech basketball team  
as lightly the Georgia team wasn't  
even scouted previous to the game.  
The blocked extra point kick

## Peltz Reports

(Continued from Page 1)

of that decision.

"We still remember that in 1951 the Governor vigorously opposed a road program for Michigan and vetoed the revenue measure. At that time he stated that \$120,000,000 a year was enough to spend on highways. Now he has grabbed a figure of \$218,000,000 a year for construction. This figure put to the people, in itself, is a false one, since the amount includes all highway money, making no provision for the maintenance and operation of highways," he stated.

"We can have a sound, long-range highway building program, by giving the people an opportunity to vote on the gas-tax measure in April. It recognizes all road systems, and gives the people of each city and county the right to make their own decisions free of political interference," Rep. Peltz continued.

"It has been said that we 'would end up getting no highways, but

merely more pits and potholes while preparing for political free spending." Nothing could be further from the truth.

## L. N. Laugno

L. N. D. Camp Wagner, No. 10 installed the following officers at a recent meeting: President, Bonnie Wakeley; 1st. vice president, Dolly Kennedy; 2nd. vice president, Elsie Lamotte; all re-elected; treasurer, Mattie Mosher; chaplain, Lucille Walker; marshals, Marguerite Leslie; assistant marshals, Eleanora Mosher; entertainers, Celia Budd, and picket, Helen Hatfield.

Appointments: Sec., Eureka Stephan; color bearer, Doris Palmer; and musician June Taylor. Taking part in the installation were National Pres. Leora LaFond as installing officer; Yula Kaiser, Past National President, installing marshal; installing chaplain, Louise Grifor; National secretary. These ladies are all members of the L. N. D. Camp Sheridan, No. 7, Bay City. Others from that camp in attendance were Iva Strevel, pres., and Emma Randolph, treas.

Following the meeting a pot-luck lunch was enjoyed. The January birthday cake was made by Ethel Cooper.

## CARD OF THANKS

I wish to extend my thanks to the nurses and doctors for their kindness during my recent stay in the hospital.

Mrs. Frank Schmidt.

## BRIDE-ELECT FETED

A bridal shower of lovely appointments was given in honor of Miss Nancy Sorenson, a February bride-to-be, on Monday evening by Mrs. Charles Mosher, Mrs. William MacLeod and Mrs. Clement Blaine.

There were forty ladies present, and the evening's entertainment was devoted to various games and bridge contests, prizes for which went to Mrs. Alex Atkinson, Mrs. Sigurd Reetz and Mrs. Floyd San-Carlier.

A Valentine motif was used and the dainty buffet lunch was arranged on a long table covered with a white linen cloth trimmed with red paper hearts. Centering the table were two heart-shaped cakes decorated in pink and white with the names "Nancy and Bill" on them. White tapers in crystal holders completed the arrangement. At either end were other heart-shaped cakes also decorated in the same colors.

Guests were served at small tables, each of which had a Valentine ornament with the names of Nancy and Bill.

The gift table was also made attractive with Valentine decorations, and Nancy was assisted in opening her many lovely gifts by her sister, Miss Judy Sorenson, and her cousins, the Misses Sue and Connie LaGrow.

# Cadillac

## Where Pride Leads to Economy!

This gasoline station isn't accustomed to being ignored by the cars that pass its way. For it resides at the edge of a great desert—and it is many, many miles to the next fueling point.

But the big, handsome automobile you see here swept by without so much as a sign of recognition! For it is a new 1955 Cadillac—and its owner knows that he can travel from his morning's start until his evening's stop without a single refueling.

Of course, when a motorist decides to order his first Cadillac, he isn't usually aware that the car is so economical to operate—and so practical to own.

He wants a Cadillac for what it is and represents—and for the great pride and pleasure it will bring him. But it isn't long before he discovers where his pride has led him!

He discovers it first when he prices the Cadillac of his choice. Invariably, he is surprised at its relatively modest cost. Not infrequently, he finds that it

actually costs less than the car he is currently driving.

And then, once his Cadillac is delivered into his hands, he discovers how frugal it is with a gallon of gasoline. He finds, as we said, that a full tank is usually sufficient for a full day's drive.

Next, he learns of Cadillac's extraordinary dependability. In fact, he often has to be reminded when the time has come for routine service.

But not until he surrenders his Cadillac to its second owner does he discover the full wonder of Cadillac's economy. For then he learns how amazingly it holds its value—and how little a year's service affects the public's regard for the car.

All this is to say, of course, that you don't have to follow your pride to the "car of cars." You can, if you prefer, make your decision solely on the basis of economy—and still buy a Cadillac!

Come in soon—and see for yourself! We've got the facts—and we'll be delighted to see you at any time!
